Present

Our MagicPak Retractable Banner System sets up in seconds! Remove the one-piece self-storing tension pole...allow powerful elastic cords to pull the pole together...insert pole, pull up graphic and hook. Works like magic! And now MagicPak has raised the bar for lighted banner displays. MagicPak Gold combines the convenience of a banner display and lighting system in one molded case designed with a high density foam compartment in the lid to store and protect the LumaStar Halogen Light, power cord and spare bulb.
