

# ShowMax® Set Up

**1** Place Showmax unit on your display table with wheels facing up and away.

**2** Unlatch and open unit. Remove header and lights.

**3** Before raising the display, unlatch endcaps from the unit.

**4** Fold up the wheel endcaps. This creates a flat surface at the bottom of the display.

Grip the handles and lift case to vertical. Fold back handle endcaps.

**5**

**6** Open outer panels. Leave them angled slightly.

**7** Place header into two slots on backside of center panels.

**8** Mount light fixtures. Insert base pegs into holes on the top of the side panels.
