

INNOVATIVE AND UNIQUE PRESENTATION PRODUCTS AND DISPLAYS

Fabrics for tabletop and briefcase displays are available in Black, Blue, Silver, Purple, and Burgundy

Eliminate the need for panels that are awkward and clumsy. Visuals easily attach to the Velcro ready panels. Each Briefcase Display includes a white arch-top header that packs away into special indentations located on the back. After a presentation, the unit folds back into a "briefcase" with attached visual elements still in place for transport.

Our ShowStyle Stage II Briefcase Display is available with 50 watt halogen lights.
